

Financial Aid Request

July 2018

Dear Congregation Member,

Thank you for being a part of the Temple Beth Torah family. We hope that you have found significant meaning in the Temple's activities and programs. We recognize that circumstances sometimes make it necessary for a member to request a reduction in dues. As a congregation, we pride ourselves in opening our doors to all regardless of economic status.

However, we rely on our members' dues and tuitions to provide the religious services and educational programming you have come to expect. As members, we should all be expected to make these payments a priority in our fiscal planning. As you request financial aid, I ask that you make this obligation a priority and contribute to the fullest extent of your fiscal ability. If your financial circumstances have changed for the better since last year, please decrease the amount of your request accordingly.

Any aid granted is effective for the current fiscal year only. Also, financial aid is not granted for Religious School Registration and B'nai Mitzvah fees.

Enclosed is the Temple Beth Torah Financial Aid Form for the 2018 – 2019 fiscal year. **If you will need assistance for this year, please complete this form and return it to me. This form is due back no later than July 31, 2018.**

I fully appreciate the sensitivity of this process. Only the Temple President, Treasurer and I will review all information. It will not be shared or discussed with anyone else. Please fill out the form as completely and accurately as possible. Use extra pages if necessary. This will help us to fairly allocate financial aid.

Please mail the completed form to:
